WHEN...YOU LOVE TAKING PART

The fundraising committee is always keen for you to know just how much we appreciate all those who volunteer at events (truly, the events cannot happen without you) but how does it feel for **you** when you take part? Let's hear from one of our parents who volunteered at our *Mothers and Female Carers Shop*...

In wishing mums and female carers a wonderful day on Mother's Day, a mum sent the message:

Hope you all love the beautiful gifts the children picked especially for you. It warmed my heart to listen to the conversations amongst themselves on why they picked their gifts for their mums.

It is wonderful to know that volunteering at our fundraising and social events brings such joy to parents, as they share these experiences with the children and see first hand the children's growth, curiosity and awe.

IT'S BOLLYWOOD!!

To celebrate the movie industry of India, this year's Summer BBQ will be Bollywood themed. We have many exciting activities planned (including Bollywood dancers) for the children, parents and carers to enjoy. We hope to have a **henna design** station and, knowing that this is likely to be very popular, we would love to have a team of volunteer parents or carers who can create the beautiful henna designs. If you can help, please contact your FRSC member about your availability.

Please also let us know if you can donate prizes for the raffle, as you so generously did for the Christmas Fayre. Watch out for more information on the Summer BBQ - for now, save the date: **Sat, 29 June**
